MEMBER'S SHARING CORNER

Chairperson S Joy Leung Man Ching

Recalling the memories of these two years in the Sports Association; it seemed like an unforgettable dream to me. Last year, when I was the Secretary of the Sport Association, it was the first time I learnt how to write minutes systematically and to give opinions initiatively. This year, I am glad to be the chairperson of the association. In the beginning, I was worried about how to lead a team and doubted about my abilities to solve or handle all the problems. However, with teacher's guidance and support from teammates, we overcome all difficulties. It was fortunately that I took up this responsibility; otherwise I wouldn't learn as much as I did. Examples of this can be; launching several campaigns (Inter-house Basketball competition, Inter-class soccer competition) and forming teams in order to solve problems. Being one of the members of Sports Association has enriched my school life a lot and widened my horizons. My dear brothers and sisters, please treasure the chance to join the Sports Association next year and experience will grant you a piece of precious memory in your school life.

Vice-Chairperson S Faith Lai Yan Yan

I'm glad to be one of the members of SPKC Sports Association in these past 2 years. It's always hard to start something new; just like start all things, it's most difficult from point zero. We have to prepare everything by ourselves with teachers' guidance. Working as a team is very important, cooperation is one of the elements that led us to success, Inter-Class Football and Inter-House Basketball Competitions are the proof of this.

I always remind myself: Learn from the mistakes, and stop repeating the same mistakes.

If you don't make mistakes, it probably means what you were working on wasn't that important or that challenging, and that's even worse.

Sports Association is not just another formal association, it's full of love, care, laughter and encouragements!

主的喜樂
是我力量

Ms. Queenie Tong

福音週的
回響

校牧陳月晶老師

「愛，讓生命不一樣」，「我們愛，因為上帝先愛我們」。

這是每一位信主同學和老師的親身經歷，我們都渴望與人分享主的愛。一年一度的福音週提供一個平台，讓同學們密集式接觸福音。早上，當同學踏進校園，就被學生敬拜隊的歌聲包圍著。午膳時間，在紅磚地舉行的街頭話劇、信仰擂台和戶外敬拜，都吸引不少同學參與其中。無論在早會、週五敬拜時段還是課堂上，同學都能聆聽老師或其他人的見證，令「信耶穌」變得更立體、更真實。放學後，同學又可以在福音茶座與基督徒老師和傳道人討論信仰，解決疑

“主的喜樂是我力量，
祢的救恩是我盼望；
雖然橄欖樹不效力，
也許葡萄樹不結果，
我仍因救我的神歡欣快樂。”

大家記得這首詩歌嗎？無錯，是今年二月的福音週在午間敬拜及初中佈道會時唱過的。大家還記得唱這歌時的喜樂嗎？原來，當一班忠心的基督徒同心的禱告及讚美神的時候，我們可以經歷不一樣的喜樂。（喜樂不是短暫的快樂，當你有不開心時，那喜樂的感覺仍會在心中支持你渡過最艱難的日子）

今年的福音週很特別，特別的是我見到天父是聽祂每一個孩子的禱告（不論年紀）。一班基督教教育組的老師及教牧同工同心為學校禱告，一班團契職員，忠心的團友及學生敬拜隊努力在不同的位置事奉，有的在早上7:30am 回校在lobby獻唱，有的在佈道會帶敬拜，有的在午間敬拜，有的在午間禱告祝福培基，他們都為神放下自己的喜好，單單渴望培基的每一個師生可以更深經歷及感受到主的愛。

大家還記得今年的兩場佈道會中，天父給了培基什麼信息嗎？

在2月6日，我們邀請了Pastor Dennis Ng 來向初中同學分享。（Pastor Dennis 是我的中學時期的屬靈導師）他用詩篇51篇講及我們的罪的問題。

原來，一個人信不信神的關鍵是他/她有否誠實的面對自己的不是。不論你是否基督徒，信主多久，人的罪性對自己有很大的影響，我們的生命要有所不同，要謙卑自己，正視自己的問題，依靠神的恩典改變自己。雖然這是初中佈道會的信息，但也對已信主20年的我有很大的提醒。

在2月13日，我們邀請了梁永善牧師來向高中同學分享。他提及後現代人愛情觀只看短暫的益處，看不到年輕的生命的可貴，他希望同學能明白神的愛是——

愛是建立 不是摧毀

愛是寬恕 不是定罪

愛是體諒 不單指責

愛是恆久 不單激情

耶和華也說：「我以永遠的愛愛你，因此我以慈愛吸引你。」【耶利米書31:3】

我相信這是神送給培基同學的信息，你們不用到處尋找別人的愛，主已用祂的寶血把你贖回，在祂愛中，你才可找到最滿足的愛。

愛·讓生命不一樣

「若有人在基督裡，他就是新造的人，舊事已過，都變成新的了。」【哥林多後書5:17】

讓我們靠神的恩典一同努力，改變自己，成為天父喜悅的人！

難。在有蓋操場的福音書展，方便同學選購小禮物和書籍。不得不提的，當然是兩次佈道會，伍宏濤牧師和梁永善牧師分別向初中及高中同學宣講福音信息，並邀請同學決志信主。

學校每年都舉辦福音週，你是否覺得這是理所當然的事，於是冷眼旁觀，置身事外？若果是的話，這真太可惜了。事實上，耶穌基督的救恩從來都不是拒人於千里之外的東西，主親自邀請你接受祂的救恩，如同雲彩的見證每一天都圍繞著你，你會如何回應呢？「福音週」會過去，傳福音的人也會離開，唯有主耶穌永恆不變，你還等甚麼？

Love @ SPKC Gospel Week

Our annual Gospel Week was held on Feb. 13-17, 2012. It was a very memorable week for many of us, as we certainly felt God's love surrounding our campus.

Throughout the entire week, Christian teachers and students did our best to show God's love to non-Christian students and teachers. Although everyone had been very busy on campus, it was so amazing to see how God has raised up his people to pray for our school and let us be empowered by God's love to reach out to our non-Christian friends and beloved teachers.

For me, the most memorable moment was the lunch worship in the red brick area on Wednesday. If you were there, I am sure you could definitely feel how God had been blessing SPKC and leading us to walk in his ways. Before the worship started, faithful Christians gathered in

room 101 and prayed for the worship team and all SPKC-ers together, pray for God's name to be glorified. In the beginning, there weren't many people singing along with the worship team, but soon enough, students and teachers started to join their hearts to sing praises to God. It was such a graceful moment. Hallelujah!

"We love because GOD first loved us." (1 John 4:19)

Last but not least, I am thankful to God who gave me the chance to lead the morning worship in the school lobby that week. Even though it was not easy for us to wake up early and arrive at campus at 7:45am, we had felt that it was God who woke us up to praise Him with all our hearts and strength.

今年是我升上中學的第一年，而且也是第一年進入基督教學校，開始時我並不懂得禱告，感到十分好奇。但大約十月份，一位中一的朋友和她的中四姐姐誠意邀請我參加以及加入她們的教會，並且決志。

在學校的"Gospel Week"裏，我每天都跟朋友們唱詩歌、聊聊天，十分愉快。另一方面，我有一位好朋友在學校週會裏勇敢站起

來決志，我十分高興，因為我們又多了一名姐妹，她還願意跟我們到教會去崇拜。大家知道嗎？這個機會我期待了很久。

其實，我和幾位同學經常參加逢週五舉行的團契，因為我很享受跟弟兄姊妹們唱團歌、分組討論，而且我學到如何靈修及與神談話。我衷心希望更多同學參加學生團契。

在福音週裏，我知道了很多關於主耶穌的事跡，更認識了很多新朋友呢！而在那個星期裏，我在Miss Lam的帶領下相信了主耶穌，初信主的我當初對基督沒有很深入的了解，但透過團契和老師們的分享，我才真正正地體驗到基督的奇妙。

我將來會跟好朋友Mandy和Kitty一起上教會，一起分享上帝奇妙的恩典！

我信了耶穌後，我把憂慮卸給上帝，讓祂帶領下去，心靈輕省多了，沒有擔驚受怕。現在我的人生更豐盛。耶穌讓我活得更有盼望、希望，更有勇氣去面對困難。未信耶穌的同學們不如現在信吧！成為基督徒，之後可以參加團契，與同學一起唱詩歌，認識神。

Introduction

We are pleased to report that the Global Education Team has been active this year, continuing last year's programmes and expanding into new ones. Many students have responded very positively and it is pleasing to see them so keen to get involved and to make friends with people from different countries. No doubt for many students this can sow a positive seed and increase their desire to learn more about the world they live in as they become Global Citizens in the 21st Century.

We are sure that, along with the LEWOWAs programme, and other such opportunities SPKC students highly value

their unique chances to see other countries, experience other cultures and to make friends from around the world! As the world becomes more globalised and as Hong Kong continues to play a key role as one of Asia's most international cities, we believe these learning experiences will serve students extremely well in the decades to come. We hope SPKC alumni will travel overseas to work or study, or pursue international careers while based in Hong Kong. It is therefore greatly important for us to learn to live and work with others, and to understand different cultures and backgrounds better.

1 AFS EXCHANGE AND HOSTING PROGRAM

To further these ends we are very pleased to announce that this year our students have the great opportunity to benefit from the AFS exchange and hosting program. AFS stands for American Field Service and is committed to allowing students to both study and live with a family overseas on exchange, and also to receive and welcome overseas exchange students. In March we hosted an AFS promotion which included presentations both during the special morning assembly in our hall and on parents' day. (See photos)

SPKC students and families will also benefit from the opportunity to serve as local host families for international visitors, and there may be more than one host family in

750

our school. This is a big responsibility and special privilege which bring great benefits to both the student and the host family.

In addition, there will be one AFS Exchange student in SPKC who will study in our school next year. Most likely this student will come from Europe and will give all of our students an excellent opportunity to meet a peer and friend from overseas. At the same time 3 students from SPKC will face the challenge and enjoy the rewards of exchange opportunities in other countries next year. They will go to Italy and Germany next year, for what will most likely be the experience of a lifetime!

An Italian exchange student, Maddalena, from Baptist Lui Ming Choi Secondary School happily shared interesting and amusing stories about her experiences as an exchange student in Hong Kong. She certainly inspired many of our students to want to visit and learn more about her country.

2 INTERNATIONAL AWARENESS WEEK (23RD APRIL TO 27TH APRIL)

Of course not everybody can be an exchange student, and not all families are able to offer to be hosts. Nonetheless, all students at SPKC have the chance to meet and chat with friends from overseas during our International Awareness Week. This year students actively got involved with, and certainly enjoyed, a special assembly, various lunchtime activities and special lesson workshops, all of which can raise their international awareness.

Students participated in, or at least watched and supported, international sports matches such as soccer, rugby and cricket. Many of which they had never experienced before.

Cultural activities were also included and students got to experience first

hand, Indian Mehndi hand painting and an Indian music jam. Students were mesmerized by beautiful designs, exotic rhythms and infectious grooves.

Students also enjoyed special lesson workshops as guest speakers and teachers visited them in subjects such as English, Integrated Humanities, Music and Physical Education. They explored a range of topics and once again were encouraged to consider international perspectives.

Cultural sharing was also kindly provided by a comedian, Mr Vivek Mahbubani, who spoke about his study and work experience in Hong Kong as a foreigner during our junior form assembly. We greatly appreciated his efforts, sharing and the stand-up comedy show.

3 SISTER SCHOOL VISITATION - SHEN ZHEN GUI YUAN MIDDLE SCHOOL

Finally, students were given an opportunity to learn more about mainland China, and to practice Putonghua, as we hosted a visit from our sister school from Shenzhen. We were delighted to tour our guests around the school campus, discuss and share character building education ideas. The visit ended with an enjoyable and relaxed lunch gathering.

Conclusion:

SPKC has worked very actively to arrange great opportunities for students to learn about, and interact with, their friends from all over the world. We encourage all students and families to keep actively involved and look forward to more positive learning and sharing experiences next year.

SPKC ENGLISH DEBATING

English Debating has continued to grow at SPKC with 30 members and three teams performing outstandingly in Hong Kong Schools' Competitions. For the second year our Sing Tao team of Sarah Tse, Captain [3L] Natalie Cheung [4L] and Grace Lau [5L] reached the Quarter-finals only to be defeated by Diocesan Girls School after putting up a spirited performance. Sarah was nominated "Best Speaker" twice in the opening rounds and also "Best Interrogative Speaker". This year was the first time we had two teams in the NESTA/ SCMP Hong Kong Schools' Competition . Our Juniors, all Form

Twos, comprising Sherry Au, Michelle Lo, Saturnia Hung and Ruby Liu have reached Round 4 after defeating Senior teams, including St Rose of Lima's. Sherry, Saturnia and Michelle all received " Best Speaker" awards. Our Senior Team of Sammi Cheung [4G] Helena Yeung [5P] Ariel Law [4P] and Lilian Yeung [4G] have also won all their debates and will go on to Round 4. Helena and Lilian were nominated " Best Speakers". SPKC students are proud to "Speak Out" for their school!

Mock Trial Report

This year, 12 students proudly represented SPKC College in the Hong Kong Schools Mock Trial Competition. They faced fierce opposition against elite schools such as Sing Yin Secondary School, Yuen Long Merchants' School and St. Stephen's Girls' College. However, all students worked well together reading, researching and writing about real life legal principles by preparing research reports, and memorandums of advice. However the highlight for most students came through practicing skills of oral advocacy in tense and dramatic court room battles as they portrayed the roles of prosecuting lawyers, defence counsel, witnesses, defendants and victims.

With the help of Teacher in Charge Ms Jessica Au Yeung (English Teacher), Coach and Advisor Mr Stephen Marson (NET and Literature Teacher), Alumni Mr Dennis Ng (LLB Undergraduate) , Senior Student Angel Lam (Best Lawyer of the Trial 2011) and Advising Solicitor (Mr Kay Chan), students were elated to advance successfully to the second round of the competition. Although great team work was always evident, a number of students were singled out for exceptional praise with Joey Wong, Rammi Chui, Pansy Kwan and Kathleen Wan winning awards and prizes for best Lawyer of the Trial and Best Witness of the Trial. Rammi Chui also did remarkably well to win the prestigious honour of Best Lawyer, second runner up of the whole competition! Students eagerly await further challenges and advancement in the Mock Trial competition 2012-13.

English Reading Promotion

In order to promote the practice of "Reading to Learn", the English department has established the Book Appreciation Reward Scheme, in which the participation of S1 -S4 students are compulsory, as well as the English Reading Scheme. 4 rounds of the Book Appreciation Reward scheme were carried out this year, in each round, students have to complete Book Appreciation Forms, which are their reflections and evaluations in a format of book reports. In each round, there will be two types of rewards for students. Book Appreciation Masters are the students who show the best

understanding of their chosen books in each form whereas the Students with Encouraging Performance are awarded for their progress and efforts. All awardees' work has been uploaded to SPKC iRead Club, the online forum where students exchange comments and opinions on reading so that students are able to welcome others' suggestions so as to advance their reading skills using a platform with which they are familiar. Students' performance have been very encouraging and most students show great enthusiasm in giving personal insights while reading. In some reflec-

tions, it is apparent that students have applied their English writing and organizational skills. The awardees have received book coupons of an English bookstore to further encourage them to purchase leisure reading materials for themselves. Meanwhile, the English Reading scheme continued previous years of success in driving students' motivation in reading English book. With significant number of new English books and other English resources purchased by the library, students showed increasing incentives in reading in English.

All staff and students were invited to voice out their preferences for the Chief Executive from three candidates: Mr Leung Chun Ying, Mr Ho Chun Yan and Mr Tang Ying Yen Henry. The activity received great support as many students came to vote, exercising their rights as a citizen. Through this election, we hope our students would become more involved in the current social issues!

第四屆 畢業典禮

同學們在蔡醫手上接過畢業證書，標誌著六年及七年的培基生活告一段落。

蔡元雲醫生、香港神託會主席彭秋嫻律師及行政總裁趙立基先生等等是本屆畢業禮嘉賓

在傳光禮儀式中，中六及中七學生代表將手上燭光傳遞給中五的師弟妹，象徵培基書院精神新火相傳

6 FAITH 何焯忻同學代表畢業生致詞

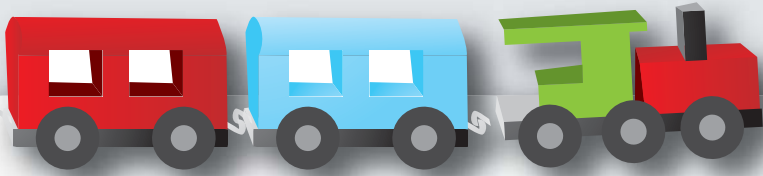

初中為主的合唱團為師兄弟高歌歡送一曲

畢業禮完結後，學生紛紛與老師拍照留念

本屆培基畢業典禮十分特別，由於新學制的銜接關係，中六和中七的師兄姊同時一起畢業了，這應該是培基絕無僅有的一次吧！但也正因为這樣，培基一家聚首一堂，更顯熱鬧。祝福培基的所有畢業生秉持培基精神，成為一個才德兼備、榮神益人的社會一份子！

家庭，是人類社會組織的基本單位。上帝造人時，就已建立了家庭為模範，祂造男造女，要他們生養眾多。而人要來認識神，透過「家」的這個途徑，是絕對正確且需要的。

培基是我們溫馨的大家庭，要有永續經營屬神家庭的觀念。「兒女是耶和華所賜的產業；所懷的胎是世所給的賞賜。你妻子在你的內室，好像多結果子的葡萄樹；你兒女圍繞你的桌子，好像橄欖栽子。」（詩篇127: 3 / 128: 3）在家庭中，我們學習屬信仰

的人際關係，會讓家庭在屬靈中成長。

願耶和華賜福給你和你的家庭！願你看見你兒女的兒女！藉由我們依靠神的經歷彰顯神的能力榮耀，培基家庭的每位成員都一同敬拜上帝！
