An exciting combination: PTA Choir, along with the School Choir performed a song during the service.

"Let's Put it Thankward" was the theme of this year's Gospel Week held from 24 February to 3 March. The purpose of the week was to bring the culture of thanksgiving into the campus, as well as to share the good news with the students. We believe that by giving thanks to the Lord, one can experience joy and strength in their life. With God's grace, all activities went smoothly and the week was surely a blessing to our school.

Counting blessings: A special Friday worship was held during the week. One student was selected from each S6 class to share their testimony in SPKC.

Worship: On Wednesday, the school Worship Team led worship during lunch time.

陸運會總冠軍
紅社

很高興紅社能在今年的陸運會中奪得三連霸。由社員成為社長，我確實還有很多不足的地方，特別是在製作打氣道具和構思各種佈置的時候，要帶領社職們工作，對我來說是一項非常大的挑戰。我十分感謝社職們盡力配合和忍耐，也

很慶幸看見很多社員主動地幫忙，社員的參與確實能夠令社職的工作更加有動力，所以我希望社員能夠繼續投入並享受每一項社際活動。

Skype Conference 2013 / 2014

Students from Forms 5 Faith, Grace and Peace participated in an online Skype conference with students from a secondary school in Singapore on the 21st of May. The conference entitled 'Chinese Mainland Visitors: Welcome or Worrysome?' not only ignited enthusiastic discussion amongst the students but also served as an opportunity for cross-cultural dialogue. The Form 5, A Level students from Dunman High School shared some of the issues and grievances felt by Singaporeans towards the large influx of Chinese mainland

visitors to Singapore. Alternately, our students cited examples for dissatisfaction amongst Hong Kongers towards the large mainland visitor numbers here. In summary, the conference was educational, intelligent and fun. The students on both sides were engaged and delighted to communicate facts on a social issue that both Singaporeans and Hong Kongers face currently. Here's looking to more inter-cultural connections in the future.

SPKC Drama Club 2013 / 2014

Drama is gaining popularity and demand in Hong Kong Schools. Drama engages and complements language learning through games, strategies and activities. These enhance teamwork, confidence in expression, spontaneous English usage, and dramatic play. Drama provides students with a chance to develop and practise spoken English with confidence and in a fun and engaging way. It draws students' focus to other kinesthetic skills of expression through gestures and body language.

SPKC's first Drama Club took off this year with a bang. There was a healthy mix of junior and senior form students who enrolled in the club. It was a combination of curiosity, enthusiasm and a growing interest for drama that motivated them to sign-up for this club. An outing to the Hong Kong Academy for Performing Arts was organized early in the year. 20 students and 5 teachers enjoyed a professional theatre production, 'The Complete Works of William Shakespeare' performed by The Reduced Shakespeare Company last October.

The Drama Club also performed in the Hong Kong School's Drama Festival for the first time in March. The cast and crew spent nearly 4 months rehearsing tirelessly for the 20 minute performance entitled 'Macbeth INC.' A modern adaptation of the famous Shakespearean tragedy, Macbeth Inc. was set in the world of corporate raiders and futures traders in Hong Kong. The production crew truly took ownership of the production by designing their costumes, sets, props, lighting and posters. The actors worked hard at memorizing their lines and characterization. The results were very pleasing; with awards for Commendable Overall Performance, Outstanding Stage Effect and Outstanding Performers, just to name a few.

To round off the year, each Drama Club member was given a special SPKC Drama Club T-shirt to commemorate SPKC's first official Drama Club. So CONGRATULATIONS Drama Club on your achievements this year! Here's wishing the Drama Club more exciting productions in the future!
